

ANNEXURE D – OPERATIONS COORDINATION MANUAL

Management of Bush Fire Operations

The contents of the Operations Coordination Manual of a Bush Fire Management Committee (BFMC) must contain:

1. A copy of this policy;
2. A copy of the BFMC's endorsed Plan of Operations;
3. A copy of the BFMC's latest completed Pre-Season Checklist and current Operations Map;
4. Interagency Aviation Standard Operations Procedures;
5. A copy of any state-level Memorandum of Understandings, Mutual Aid Agreements and the like of practical application in fire management (e.g. agreement between NSW Rural Fire Service and National Parks and Wildlife Services for fire investigation), as provided or directed by the Bush Fire Coordination Committee; and
6. The Minimal Impact Suppression Guidelines.
